**Pastor Kevin Woolard**

Starting Sunday, May 3<sup>rd</sup>, Pastor Kevin will start a new series of messages from Acts entitled – **It's Not Too Late to be an Early Church!** In a time when churches are navigating cultural shifts, declining attendance, and increasing questions about purpose, many pastors and congregations are asking a simple but profound question: What should the church actually look like? One of the clearest answers is found not in modern strategy, but in the ancient pages of the book of Acts.
